Co-captains: Your role is to stay in touch with our Care Team Friend during your week. This may include a call, visit, meeting a specific need on the calendar, or sending a note or card. Please call the Captain(s) for the next week and update them on any new information. If you need additional help during your week to meet various needs, please call our Care Team Leader, or inform him or her after you invite others to participate so that we can share the care!
