How to get started with Twitter

1) Log on to www.twitter.com

2) Click <Sign up now>

3) Fill in the user information. Type the secret words, and then click <Create my account>

4) *See if your friends are on Twitter* Click <Skip this step>

5) *Look who else is here. Start following them!*
UNCLICK <Select All>
Then click <Finish>

6) You will see a page with the question *What are you doing now?* This is your new home page.

7) In the upper right of your home page click the navigation link: <Find People>

8) On the page titled: *Find People. Follow them.* You will see a question: Who are you looking for? In the box below the question type "5_P" [Numeral five (5) followed by an underline (shift hyphen) and a capital P (P).] Click <Search>

9) You will see a list of tweeters that have similar usernames.

On the list you should see "5_P Columbus1stUMC" (You will also see a logo of our spire.)

Click <Follow>
You should see a green check (✔) with the word "Following"

10) Now, in the upper corner click the navigational link <Home> (You should be back to the page with the question *What are you doing?*)

11) In a box to the right on your home page, you should see that you are following "1."

12) Each day you can log on to your Twitter home page and see the latest tweets from First UMC in Columbus, Indiana.

You can stop now and enjoy Twitter on your computer. However...

If you choose, a Twitter text can also be sent to your Cell Phone. If you want this convenient option please continue with Step 13.

Using the Cell Phone Option

13) On your Twitter homepage, click the <Settings> navigational link in the upper right corner.

14) Click the tab marked <Devices>

15) Enter your mobile number: area code and number. (Leave the "+1" in the left box—Twitter is global!) Then check the box next to *It's OK for Twitter to sent txt messages to my phone. Standard rates apply.** (Tweets are regular cell phone texts (SMS). If you have unlimited texting in your plan, there is no charge for Twitter. Click <Save>.

16) You will see a page with a special code. Follow the directions of the website. Use your cell phone, and create a new text message. Your cell phone will ask for a phone number. In the "To" box on your phone, enter the five digit number as directed: 40404. In the message box simply type the letters as directed on the web page. Press the <Send> button on your phone. You should quickly receive a confirmation text on your phone from Twitter.

17) You are now a Tweeter and not a Twit.
